From: Linda Whittley,

I had Dow Corning implants placed 11-13-85 in Orlando Florida by Dr James Baker. I am asking to be a participant in the class action lawsuit. My left implant has ruptured & the right is also deteriorating. I have chest pain where the rupture is and it always hurts. I have a copy of my mammogram that shows how bad it is. I have a local plastic surgeon in Merritt Island where I live that is qualified to do the surgery that I need to remove them. Financially I am a single parent, my husband is deceased and I would like for Dow Corning to help me with this expense. I was never told or expected any problems down the road. I am not looking forward to this surgery because

Thank you.  

They have to take out the complaints and take away a lot of trash + hope to get the address. Please help me if you can.
